

Please be informed of the following OIS policy.

- ① Vaccinated twice (If you have just taken the vaccine within two weeks before coming to school, it will be regarded as not having taken the vaccine.)
 - ② Negative antigen test within 24 hours before coming school. You do not need to submit a certificate.
 - ③ Negative PCR test within 72 hours before coming to school. Inspections outside Okinawa Main Island such as Haneda and Narita Airport are also permitted.
- ※If you return to Okinawa two weeks before your first day of work, such as a long holiday, the above measures are not required.

※If you have just taken the vaccine within two weeks before coming to school, it will be regarded as not having taken the vaccine.
