

OIS LIBRARY

Happy New School Year! In the first issue of the OIS Library Newsletter, check out our three libraries and meet the librarians. In the future, we are looking forward to sharing our news, events, and special activities. We hope you will enjoy exploring our libraries!

Preschool and Kindergarten Library

I am Madoka Iha, librarian of Preschool and Kindergarten. I hope that you will encounter many books and make new discoveries. I will make every effort to help you do so. Pre-K students are gradually beginning to utilize “Unit of Inquiry (UOI)” and are also becoming interested in books.

Elementary Library

Welcome to the Elementary Library! I am Chihiro Yamada, the librarian of the Elementary, Middle School and High School Libraries. You can read books, research UOI topics, relax and recharge your body and brain in our library. Please come to explore the exciting spot right here next to the Grade 1 class!

Middle School and High School Library

In the MS & HS Library, located on the 2nd floor of the Nanjo Campus, we not only provide books, but also a large study space for independent learners. We also encourage our MS and HS students to fully use our online databases.
